# CitySense / three compositions, one direction

Static UX-0 concepts · Compare the full desktop and 390px mobile exports before approval.

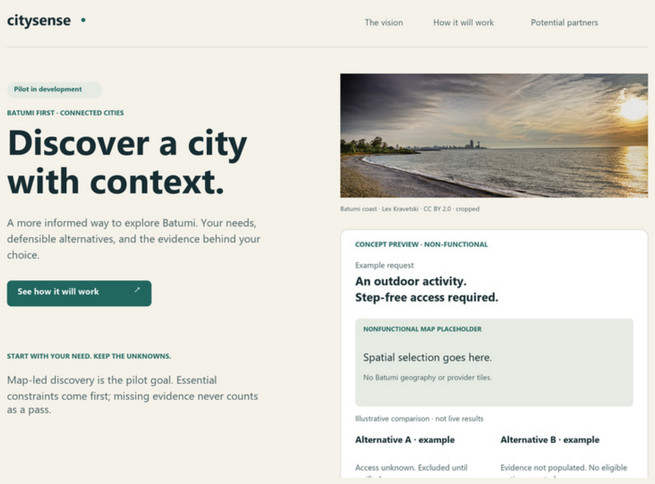

## H1 / Editorial first

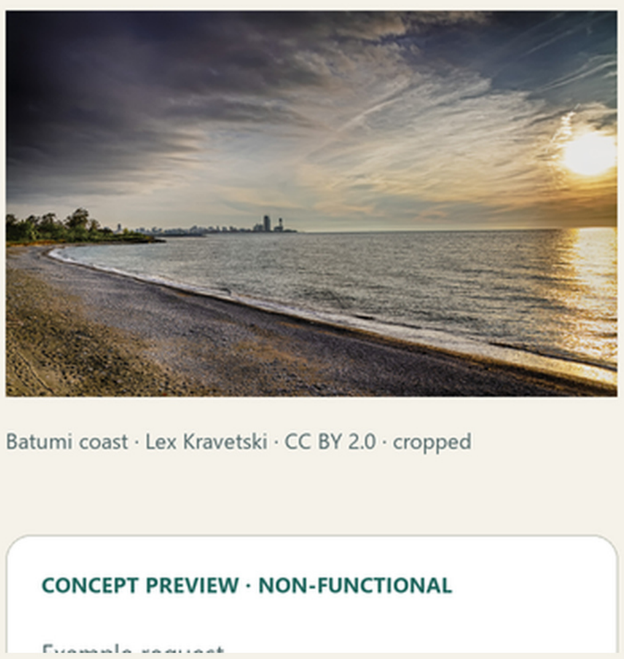

Full page + below-fold content included in each primary PNG and PDF.

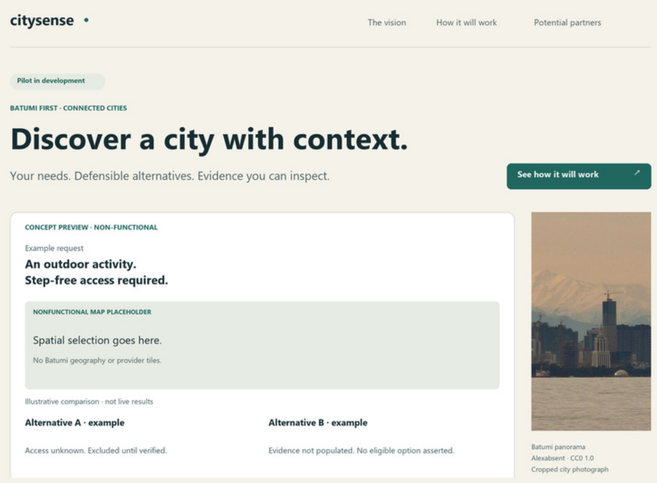

## H2 / Balanced experience

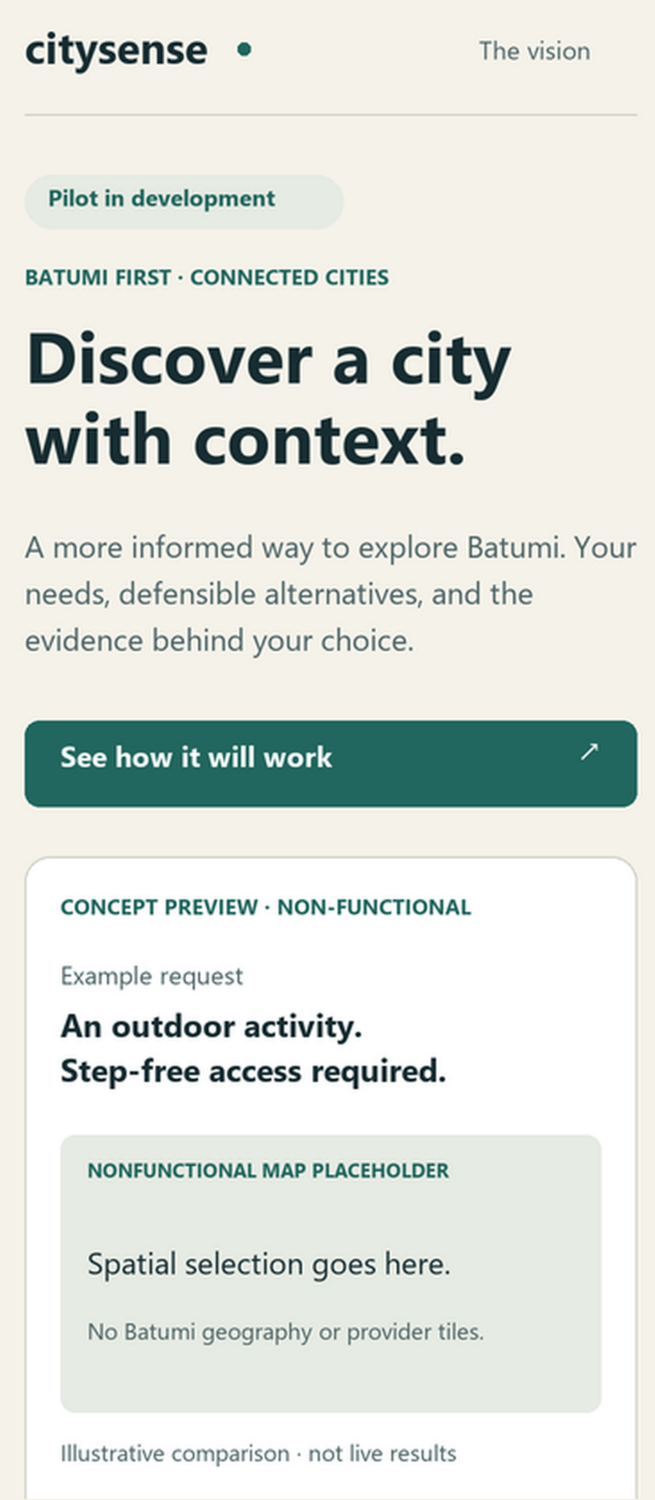

Full page + below-fold content included in each primary PNG and PDF.

## H3 / Product first

Full page + below-fold content included in each primary PNG and PDF.

**Chief recommendation: H2, for a clear visitor task and an equally visible city identity.**

Design judgment only. No running UI, mobile-device validation, eligible recommendations or visual approval claimed.

Founder: approve direction / request revision / reject / hold. Successor scope remains separately gated.
